MEMORANDUM FOR THE RECORD;

SUBJECT: Records Disposition, ORR

1. Attached is a copy of one of three memoranda submitted to this office by the Area Records Officer, ORR. These memoranda concern the destruction of certain records transferred to the Record Center by ORR.

2. These memoranda request an exception to proposed destruction of records by the Record Center. The problem is one concerned primarily with the orientation of an older group of *records with* records control schedule. All three memoranda referred to *the* above were referred to the Record Center through Mr. [REDACTED] 25X1A9a. The attached reply to the Area Records Officer, ORR by Mr. [REDACTED] 25X1A9a dated October 25 completes the required action on the memoranda from ORR. No further action is necessary by this office.
